

# In Stove Camp 2013

Hosted by Student  
Jeffrey Santiago, Mechanical Engineering  
GREAT IDEA Forum, September 17, 2013

# About Aprovecho Research Center

**Efficiency**

**Economic**

**Eco-friendly**

# Progress in the last years

Factory where Rocket Stoves are manufactured

# The two most efficient Stoves

*Top-Lit Up-Draft “TLUD” Stove*

*Rocket Stove*

# Future Improvements

## Culture Adaptations

Be more eco-friendly

More Efficiency

Educate people about  
this technology

Cook and save the planet at the same time!
